Independent Auditor's Report

To the Board of Directors of
Centre d'accueil le Programme de Portage Inc.

Opinion

We have audited the financial statements of Centre d'accueil le Programme de Portage Inc. (the "Corporation"), which comprise the statement of financial position as at March 31, 2026, and the statements of revenue and expenses, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Corporation as at March 31, 2026, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards ("Canadian GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Corporation in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Corporation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Corporation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Corporation's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Canadian GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Corporation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Corporation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The accompanying notes are an integral part of the financial statements.

1. Description of the Corporation

Centre d'accueil le Programme de Portage Inc. (the "Corporation") is incorporated under the *Business Corporations Act* (Québec) and, pursuant to the *Income Tax Act*, is designated as a registered charity.

The Corporation encompasses drug addiction rehabilitation centres in Saint-Malachie, Québec City, Lac Écho, Montréal and West Island of Montréal.

The Corporation, The Portage Program for Drug Dependencies Inc. and The Portage Foundation are managed, for the most part, by the same members of the Board of Directors and are therefore related entities.

2. Accounting policies

The financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations and include the following significant accounting policies:

Revenue recognition

The Corporation follows the deferral method of accounting for contributions. Deferred contributions are recognized as contributions in the year in which the related expenses are incurred. Restricted contributions related to fixed assets are deferred and recognized as revenue on the same basis as the amortization expense related to the acquired fixed assets. Unrestricted contributions are recognized as contributions when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Fixed assets

Fixed assets are recorded at cost. Contributed fixed assets are recorded at fair value at the date of contribution. Amortization is based on the estimated useful life of the assets and the following methods:

Sewage treatment system	Straight-line	5%
Generators, security and fire prevention	Straight-line	5%
Leasehold improvements	Declining balance	10%
Furniture and equipment	Declining balance	10%

Impairment of fixed assets

When conditions indicate that a fixed asset is impaired, the net carrying amount of the fixed asset shall be written down to the asset's fair value or replacement cost. The write-downs of fixed assets shall be accounted for as expenses in the statement of revenue and expenses. A write-down shall not be reversed.

Financial instruments

Initial measurement

Financial assets and financial liabilities originated or exchanged in arm's length transactions are initially recognized at fair value when the Corporation becomes a party to the contractual provisions of the financial instrument. Financial assets and financial liabilities originated or exchanged in related party transactions are initially recognized at cost.

The cost of a financial instrument in a related party transaction depends on whether the instrument has repayment terms. The cost of financial instruments with repayment terms is determined using its undiscounted cash flows, excluding interest and dividend payments, less any impairment losses previously recognized by the transferor. The cost of financial instruments without repayment terms is determined using the consideration transferred or received by the Corporation in the transaction.

2. Accounting policies (continued)

Financial instruments (continued)

Subsequent measurement

All financial instruments are subsequently measured at amortized cost.

Transaction costs

Transaction costs related to financial instruments measured at fair value are expensed as incurred. Transaction costs related to the other financial instruments are added to the carrying value of the asset or netted against the carrying value of the liability and are then recognized over the expected life of the instrument using the straight-line method. Any premium or discount related to an instrument measured at amortized cost is amortized over the expected life of the item using the straight-line method and recognized in the statement of revenue and expenses as interest income or expense.

Impairment

With respect to financial assets measured at cost or amortized cost, the Corporation recognizes in the statement of revenue and expenses an impairment loss, if any, when it determines that a significant adverse change has occurred during the period in the expected timing or amount of future cash flows. When the extent of impairment of a previously written down asset decreases and the decrease can be related to an event occurring after the impairment was recognized, the previously recognized impairment loss shall be reversed in the statement of revenue and expenses in the period the reversal occurs.

Allocation of expenses

Salaries and benefits are allocated between clinical services, support services and administration in proportion to the estimated amount of time employees spend on each activity. The other administrative expenses are allocated between services in proportion to their estimated uses. This allocation methodology is applied consistently.

Use of estimates

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from these estimates.

	1,877,162	1,724,724	162,438	180,486

5. Credit facility and loans

The Corporation has a demand loan up to a maximum of \$450,000, renewable each year, bearing interest at a rate equal to the financial institution's prime rate (4.45% as at March 31, 2026; 4.95% as at March 31, 2025), plus 0.25%. The balance of the credit facility as at March 31, 2026, is nil (\$270,000 as at March 31, 2025).

The long term loan bears interest at a rate of 1.99% and matures in June 2028. It was obtained to finance fixed assets.

6. Accounts payable and accrued liabilities

Amortization of deferred grants related to fixed assets	(14,277)	(15,863)
Balance, end of year	128,493	142,770

8. Related party transactions

Economic interest

The Corporation has an economic interest in The Portage Foundation (the "Foundation"), given that the Foundation was created to give financial help to the Corporation. The Corporation requires private donations through the Foundation in addition to public funding to meet its financial obligations.

The Foundation's fund balances amount to \$7,744,167 as at March 31, 2026 (\$7,729,350 as at March 31, 2025). Of this amount, \$4,671,418 (\$6,562,348 in 2025) represents the fixed assets fund.

8. Related party transactions (continued)

Related party transactions

The following table summarizes the Corporation's related party transactions for the year. These transactions are in the normal course of operations and are measured at the exchange amount, which is the amount of consideration established and agreed to by the related parties.

	2026	2025
	\$	\$
Revenue		
The Portage Foundation		
Donations	3,108,369	3,149,541
Interest	—	8,654
Management fees ⁽¹⁾	15,753	—
The Portage Program for Drug Dependencies Inc.		
Private beds	86,600	37,609
Interest ⁽¹⁾	—	9,140
Management fees ⁽¹⁾	28,726	—
Allocated expenses ⁽²⁾	11,460	—
Expenses		
The Portage Foundation		
Rent	2,350,880	2,369,322
The Portage Program for Drug Dependencies Inc.		
Management fees ⁽¹⁾		
Adult program	314,925	94,746
Day centre	60,900	94,746
Adolescent program	488,892	726,383
Mother and Child program Montréal	487,879	410,564
Rehabilitation – MICA	506,892	473,728
Saint-Malachie	487,204	410,564
Allocated expenses ⁽²⁾	857,303	918,741

At the end of the year, the amounts due to (from) related parties are payable on demand and have arisen from the transactions referred to above, except for the loan receivable from the Foundation. The loan receivable is being loaned for long-term investment purposes and is therefore classified as long-term. There is no fixed interest on the loan, however, the Corporation is entitled to its proportionate share of income earned on the investment.

⁽¹⁾ Management fees represent centralized management fees and are charged to related parties, which are included in clinical services expense.

⁽²⁾ This amount represents allocated expenses that are centralized and charged to related parties in order to benefit from economies.

9. Commitments

The Corporation is committed to the Foundation under premises rental leases, renewable yearly, to annual fixed payments of \$1,832,453 and an additional rent amount of \$2,592,105 over the next five years. The Corporation is also committed under long-term leases for a total amount of \$21,131, over two years, for other premises, housing and car rental. Minimum payments for the forthcoming years are as follows:

	\$
2027	2,369,299
2028	2,353,580
2029	2,350,874
2030	2,350,874
2031	2,350,874

10. Financial instruments

Credit risk

The Corporation provides credit to its clients in the normal course of its operations. It carries out, on a continuing basis, credit checks on its clients and maintains an allowance for doubtful accounts, if applicable.

Liquidity risk

The Corporation's objective is to have sufficient liquidity to meet its liabilities when due. The Corporation monitors its cash balances and cash flows generated from operations, including expected public funding, to meet its requirements. As at March 31, 2026, the most significant financial liabilities are the bank loan, accounts payable and accrued liabilities and the long-term loan.

11. Comparative Figures

Certain comparative figures have been reclassified to conform with the current year's presentation.
